FIG BILBAO

PRINT FESTIVAL | 28.11-1.12 . 2024

PAPER ARTE ETA GRABATUAREN NAZIOARTEKO JAIALDIA

FESTIVAL INTERNACIONAL DE GRABADO Y ARTE SOBRE PAPEL

INTERNATIONAL PRINTMAKING AND ART ON PAPER FESTIVAL

FIG Bilbao, Printmaking and Art On Paper International Fair, will hold its thirteenth edition at Euskalduna Conference Hall in Bilbao; a space located in the heart of the city. The Fair will take place between 28th November to 1st December and there will be a full program of activities related to the Art on Paper.

Palacio Euskalduna, over 5000 m², is located next to Bilbao Guggenheim Museum, near the Fine Arts Museum and close to Iberdrola Tower and Aretoa Bizkaia, Basque University auditorium.. Euskalduna's diaphanous inside space and its good communications become the Fair in an attractive appointment for the visitor.

FIG Bilbao keeps its own personality. Its exclusive focus on the Art on Paper provides a unique character in Spain and Europe. The annual meeting joints about sixty national and international galleries dedicated to contemporary and all times printmaking works.

During that week in November, Bilbao turns into the center of Art on Paper, thanks to a complete program of activities during the Fair: forums, meetings, exhibitions, guided tours, children workshops ... without forgetting collaborations among institutions and cultural agents.

SPACE ALLOCATION AND STANDS CONSTRUCTION

The management shall assign a stand to each exhibitor, once it has fulfilled each and every one of the requirements and when the exhibitor has made all payments.

Once awards have been made, a hall plan will show the location of each and every individual exhibitor's stand. Management reserves the right to modify the conditions of each stand, within reasonable criteria and bypassing the location, dimensions or applied forms, when the concept, configuration or distribution of the overall exhibition space require. Each exhibitor will received a general floor plan with exact location of the stand.

EXHIBITORS

Exhibitor must maintain its construction within the assigned area and at no time can trespass the common areas of corridors. The display area must not exceed the invisible lines that define each exhibitor space.

Commercial exhibitors must ensure that their works will be exhibited with museological level, respecting spaces and avoiding agglomeration. The Fair's organization will assist in advising on these issues.

Commercial exhibitors will facilitate in a professional manner whatever information required by visitors both verbally and through work's identification labels, which must not be under any circumstances handwritten.

Each exhibited work must have a certificate of originality which may be required by Organization at any time.

Commercial exhibitors must work to have more competitive prices than the rest of the year during the Fair Exhibitors' stands should always be attended during the public opening hours.

Punctuality at the Fair's opening and closing are unquestioned. Commercial exhibitors understand that the opportunity offered must involve a chance to show new or exceptional value pieces, quality and good references.

Originality, good presentation, and edition's quality are unquestionable and professional challenges in FIG Bilbao. Compliance these standards benefits all exhibitors and disregard them may have an effect on the process of selecting the next edition.

CATALOGUE

FIG Bilbao 2024 publishes an official Fair catalogue where exhibitors can participate to spread their artistic offerings. Exhibitors will contribute to the good edition of this and other publications on paper, online and downloadable, providing graphic and written information necessary to ensure the quality and accuracy desirable. Exhibitors must observe strictly the delivery time of the requested material.

COMMUNICATION

Communication Department's mission is to broadcast adequate information about artists and GALLERIES or PUBLISHERS in daily and specialized press. Exhibitors must, in turn, supply comprehensive and accurate information and high-quality graphic material that could be requested.

A street marketing communication campaign will be carried out in the city of Bilbao with different advertising holders. The event will be broadcast on radio through interviews and commercials. Printed material will be delivered in hotels, cultural institutions and points of touristic interest. Personal invitations will be sent to Collectors, press agents, museums, galleries, etc.

The Festival has a press office that will handle widely disseminate information about the participants in the Fair (galleries, publishers, artists, etc.)

ACCESS RULES TO EXHIBITION DURING ASSEMBLY PERIOD

Access to the Hall is only permitted to people legitimately identified with an exhibitor accreditation issued by the organization of FIG Bilbao which will be given to each participant on the day of the assembly.

EXEMPTIONS ASSURANCES, CIRCUMSTANCES AND LIABILITY LIMITATIONS

During the opening hours, the exhibitor must monitor his material directly or through his staff. The Organization will provide security during the exhibition time and during the assembly and disassembly days inside the Hall.

Exhibitors may not claim any responsibility to the Organization for loss, damage or injury of any kind caused to the material or personnel located in the enclosure during the Festival, even outside opening hours (including assembly and disassembly days). It is advised that each exhibitor take out insurance to cover any of these contingencies.

Exhibitor shall be liable to the organization of direct and indirect damage from any cause attributable to him or his staff (including damage caused by its equipment or facilities run by the same or a third party designated by him) even if done in intermediate zones.
